

## 2016 Full Circle Celebration Sponsorship Opportunities

Think 360 Arts for Learning is an organization dedicated to cultivating and sustaining the arts as essential to all learning through creative experiences for students and teachers. Every day we bring the arts to PK-12 students and teachers throughout Colorado, because creativity and innovation are critical skills for a 21<sup>st</sup> century workforce and life. In addition, arts integrated learning has proven to enhance student retention and improve test results. Our programming impacts over 30,000 students and teachers each year.

Won't you join our team of sponsors and help us bring even more enriching, professional arts experiences to educators and students in our community? We would love to have your support for our annual fundraiser, the Full Circle Celebration, which will enable us to reach the community in new ways, connect our staff, board and teaching artists to funders, and provide the opportunity to see your support in action.

The board and staff of Think 360 Arts host the Full Circle Celebration, a festive reception for those who support arts education to gather and celebrate the strides made throughout the school year to promote arts education and integration.

As a sponsor of this event, your generous contribution will increase our artists in schools programming and professional development opportunities for teachers. These funds will allow us to bring the powerful impact of arts education to more students and educators in Colorado than ever before. Being a part of this event will connect you with other creative professionals in Denver and provide a platform to communicate the importance of arts in education to ensure a creative, collaborative 21<sup>st</sup> century workforce. In addition, each sponsorship level comes with a variety of benefits to the sponsoring company, allowing you to increase and diversify your advertising reach.

Please see the information on our sponsorship levels, and contact us if you are interested in joining our team as a sponsor of the Full Circle Celebration, taking place on May 4, 2016 at Howl at the Moon in Denver.
