Get to Know Think 360 Arts

For over 60 years, Think 360 Arts for Learning has been at the forefront of providing innovative arts programming in Colorado. Through our five core programs, we're dedicated to inspiring creativity, building community, and advancing equity through the arts. Our mission is to make quality arts experiences accessible to everyone, fostering vital social connections in the communities we serve.

Our Professional Development program offers specialized trainings and workshops in arts integration for classroom teachers, arts specialists, administrators, and cultural organizations. In 2024, we proudly served 550 educators, enhancing their ability to foster creativity, innovation, student engagement, and 21st-century skills in their classrooms.

Join the 2025 Institute for Creative Teaching

JUNE 10 – 12, 2025

The Institute for Creative Teaching (ICT) is an in-depth, three-day institute, offering the theory and practice of arts integration. ICT connects teachers with professional teaching artists to learn how to leverage artistic expression to effectively support new educational standards and social emotional learning.

Consider sponsoring the 2025 Institute for Creative Teaching, happening June 10th to 12th, 2025 at the University of Northern Colorado. By joining our team of sponsors, you'll support a unique annual experience focused on empowering educators to integrate the arts into their teaching practices. Sponsoring the 2025 ICT offers a unique opportunity to demonstrate your organization's commitment to arts education and connect with a diverse audience of educators, community leaders, and artists.
